FAQs

How many absences am I allowed to have during the cohort if personal matters come up, or if I need to complete my military transition tasks during the day?

You have 32 class points you can use for absences. A tardy or early departure = 1pt.
An absence lasting greater than 3 hours counts as 3 pts.

There are also "No Class" days built into the schedule that you can use to get some of your military transition tasks completed

How do I go about notifying staff/instructors about upcoming absences?
Use this link and fill out the form details - Attendance Notification Form

What is the best way to reach staff/instructors about other questions throughout the cohort?
We use a messaging app called Slack for all communication, *1x1 messaging, and for cohort-announcements -* Slack

How do I access curriculum materials?
Navigate to this link and sign in to your account - Learn App

What if I need extra help understanding core concepts, or want a 1:1 meeting to discuss any other concerns I may have?

Use this form to send in requests for office hours with a SEIR to cover the topic of your choice*. Also, use this form to schedule time with your Program Lead or Transition Specialist, as often as you'd like.

Office Hours and Advisor Request Form
This is your "all-in-one" form for additional help with any tech and/or personal questions/concerns.

*Note about Office Hour scheduling:
- *Office Hour requests through this form are typically scheduled during work on Exercises. If you would prefer to have Office Hours on Friday during the day or Sunday during our weekly*
- *If your work on assessments or your work in other areas of the course is not strong, we will schedule a 30-minute office hour session with an Instructor to go over the content.*
- *You should expect at least a 2 business day turnaround time for these requests*
